

You Can Help Save the Lives of Pets!

Your Bar/Bat Mitzvah project gives you the opportunity to help keep pets out of shelters and with their families

Did You Know?

Of the many millions of dogs and cats surrendered to shelters or abandoned each year in the United States, approximately one million surrenders/abandonments were due to the owners' financial inability to care for their pets.

Sam's Hope

is dedicated to stopping this heartbreaking cycle, and help "Keep Pets and Their Families Together," for the benefit of both the pet and the pet owner.

Our Mission is a Simple One

To save the lives of companion animals by keeping them out of shelters (where they face a very uncertain future*), and with their families.

We achieve our mission through the following programs:

- Sam's Hope Pet Food Program – Providing pet food assistance via food pantries and other organizations that provide assistance to the financially challenged, elderly and disabled, as well as directly to pet owners who live outside of the food pantry service areas.
- Sam's Hope Vet Care Program – Providing veterinary care assistance to financially challenged, elderly and disabled pet owners.

*Approximately 50% of pets surrendered to shelters never find a new home, and sadly, are euthanized.

As a Mitzvah Project, You Have a Variety of Ways to Help

- Host a Pet Food Collection Drive at your school, synagogue, at a local food market or business, or in your neighborhood. Ask your guests to bring a pet food item to your Bar/Bat Mitzvah.
- Host a Coin Collection Drive – place coin collection cans at local businesses, restaurants, pet stores, etc.
- Host a Bake Sale, Dog Wash, Car Wash, or Garage Sale and donate the proceeds to Sam's Hope.
- Create Your Own Fundraiser and donate the proceeds to Sam's Hope.
