

TEEN VOLUNTEER: Alex Kozik, 14, a resident of Warrington and ninth grade student at Tamanend Middle School, says he enjoys “volunteering here at Sam’s Hope because I love animals, and I believe that keeping animals and their owners together is very important. Also, I like volunteering because it is a fun and social experience.” (Ed. Note: Sam’s Hope, based in Wyndmoor, is a non-profit founded by Marianne laquinto that provides pet food to impoverished area pet owners so they do not have to surrender their pets to a shelter. More details at www.samshope.org)
